### INDEPENDENT AUDITORS' REPORT (CONT'D)

to the Members of Pertubuhan Kanser Kanak-Kanak Malaysia  
(Children Cancer Association Malaysia)  
(Registration No.: PPM-012-10-08112022)  
(Registered in Malaysia - Societies Act, 1966)

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Society as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Society, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management committee of the Society.
- Conclude on the appropriateness of the Management Committee of the Society use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Society or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Society, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE FINANCIAL PERIOD FROM 8 NOVEMBER 2022 (DATE OF REGISTRATION)  
TO 31 DECEMBER 2023**

**1 GENERAL INFORMATION**

The Society is non-profit organisation registered under the Societies Act, 1966.

The Society has been established to implement programs and activities related to the welfare of children with cancer in Malaysia.

The principal address of the Society is located at No. 23, Jalan BP 14/8, Bandar Bukit Puchong 2, 47100 Puchong, Selangor Darul Ehsan.

The financial statements which are the responsibility of Management Committee of Society were authorised on 1 October 2024.

**2 BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS**

The financial statements have been prepared in accordance with the accounting policies and the requirements of the Society Act, 1966.

The financial statements have been prepared on the historical cost basis, other than as disclosed in Note 3 to the financial statements.

**3 SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies adopted are set out below.

**3.1 PLANT AND EQUIPMENT**

The cost of an item of plant and equipment is recognised as an asset when it is probable that future economic benefits associated with the item will flow to the Society and the cost of the item can be measured reliably. After recognition as an asset, an item of plant and equipment are measured at cost less any accumulated depreciation and any accumulated impairment losses.

Depreciation is provided on a straight-line method so as to write depreciable amount of the following assets over their estimated useful lives, as follows:

<b>Plant and equipment</b>	<b>Rate</b>
ICT equipment	33%

Depreciation of an asset begins when it is ready for its intended use.

### **3 SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

#### **3.1 PLANT AND EQUIPMENT (CONT'D)**

If there is an indication of a significant change in factors affecting the residual value, useful life or asset consumption pattern since the last annual reporting date, the residual values, depreciation method and useful lives of depreciable assets are reviewed, and adjusted prospectively.

The carrying amounts of items of property, plant and equipment are derecognised on disposal or when no future economic benefits are expected from their use or disposal. Any gain or loss arising from the derecognition of items of property, plant and equipment, determined as the difference between the net disposal proceeds, if any, and the carrying amounts of the item, is recognised in profit or loss. Neither the sale proceeds nor any gain on disposal is classified as revenue.

#### **3.2 RECEIVABLES**

Receivables are carried at anticipated realisable values. Bad debts are written off in the period in which they are identified. An estimate is made for doubtful debts based on a review of all outstanding amounts as at the balance sheet date.

#### **3.3 CASH AND CASH EQUIVALENTS**

Cash and cash equivalents consist of cash at bank which is used by the Society in the management of their short-term commitments.

#### **3.4 PAYABLES**

Payables are stated at cost which is the fair value of the consideration to be paid in the future for goods and services received.
